Hi Nadia,

Sorry I confused things. It's ok for you to continue to participate on BCT calls and it's ok to continue to receive documents.

Hi Loren—you had mentioned to me that I should not attend RAB or BCT meetings, or site visits, for Treasure Island. I have never visited the site, or attended a RAB meeting, but I periodically attend the BCT meetings in Oakland. But the majority of time I usually participate in the BCT via phone-- Attached is next BCT meeting December 9.

We discussed it might be ok for me to continue participating by phone, but I wanted to verify that with you. Also, should we instruct the Navy to stop sending us all documents? I still have them send me final versions of significant documents and I send those to the records center. Should we send the Navy official correspondence indicating our reduction in participation?
